## Recommended for you:

### Scream 3:

Scream 3 (2000) follows the survivors of the previous films as they become entangled in a series of murders on the set of a fictional Stab 3 movie. As the body count rises, Sidney Prescott, now in hiding, is forced to confront a new killer, who seems to be closely tied to her past and the secrets of the Scream franchise itself. The film combines suspense, mystery, and the signature self-aware humor of the series.

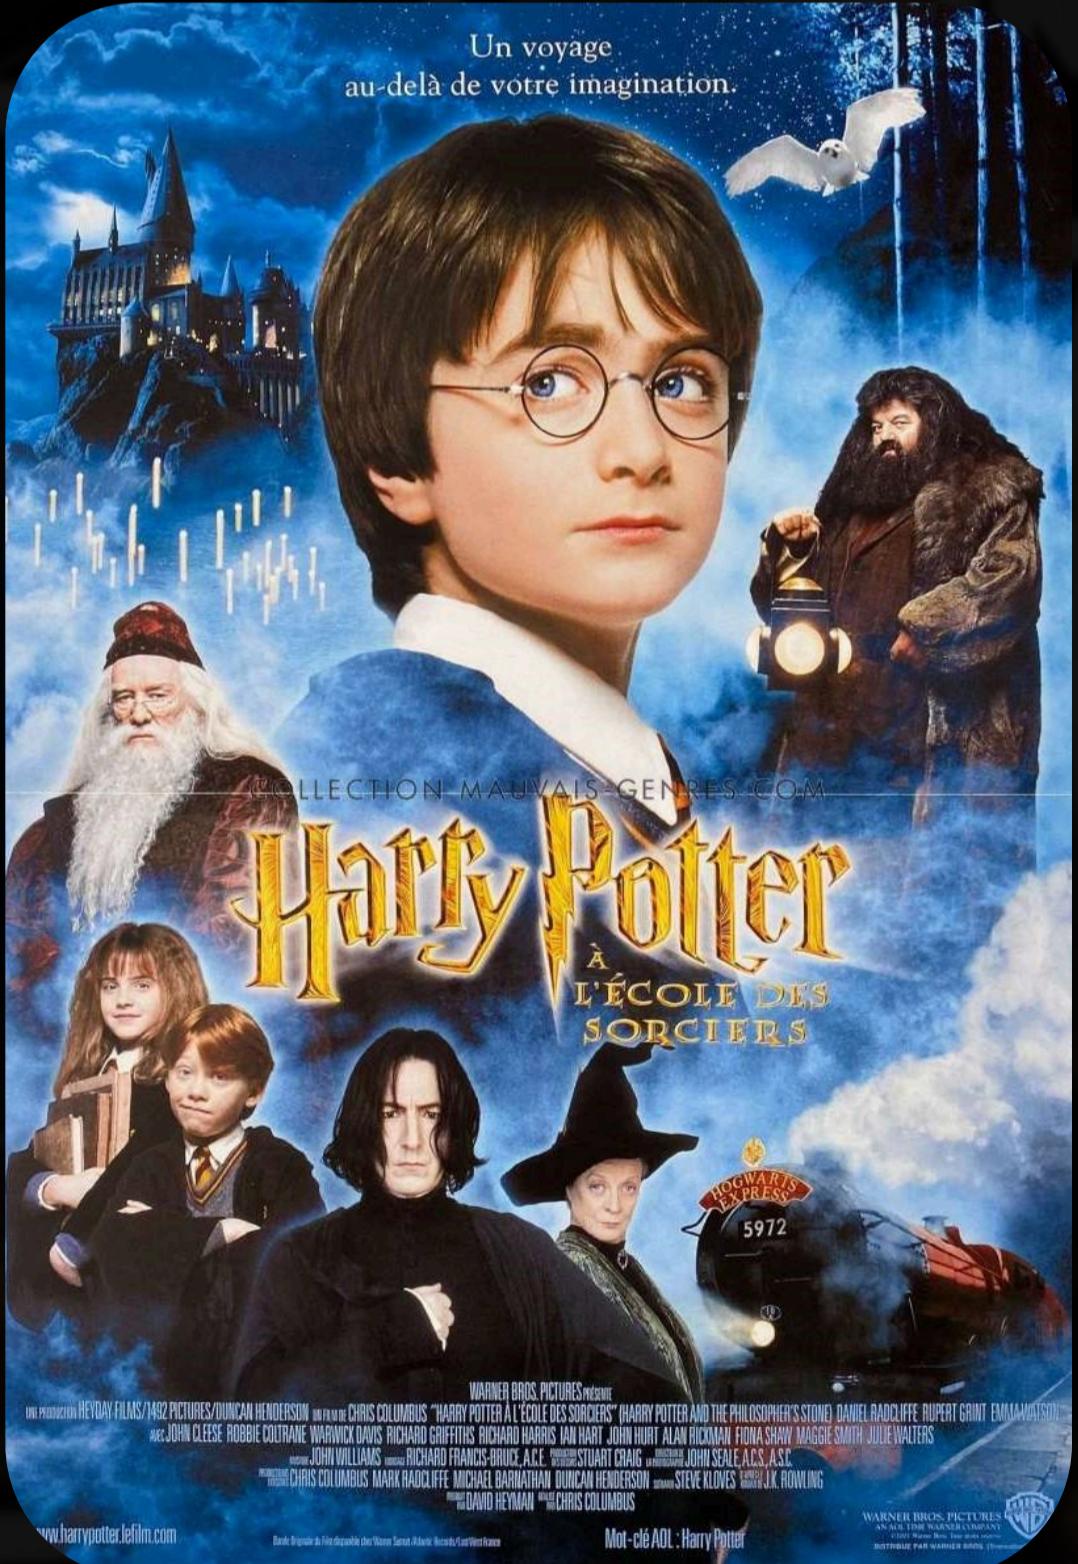

## Recommended for you:

### Venom:

Venom (2018) tells the story of Eddie Brock, a journalist who becomes host to an alien symbiote, granting him extraordinary powers. Struggling with the symbiote's violent tendencies, Eddie must stop a powerful tech mogul, Carlton Drake, who is experimenting with symbiotes to take over the world. The film blends action, humor, and a dark antihero dynamic as Eddie and Venom form an uneasy partnership.
